

Health and safety general standards

Policy statement

We believe that the health and safety of children is of paramount importance. We make our setting a safe and healthy place for children, parents, staff and volunteers.

- We aim to make children, parents, staff and volunteers aware of health and safety issues and to minimise the hazards and risks to enable the children to thrive in a healthy and safe environment.

Procedures

Awareness raising

- Our induction training for staff volunteers includes a clear explanation of health and safety issues, so that all adults are able to adhere to our policy and procedures as they understand their shared responsibility for health and safety. The induction training covers matters of employee well-being, including safe lifting and the storage of potentially dangerous substances.
- We keep records of these induction training sessions and new staff and volunteers are asked to sign the records to confirm that they have taken part.
- We explain health and safety issues to the parents of new children, so that they understand the part played by these issues in the daily life of the setting.
- We operate a no-smoking policy.
- We make children aware of health and safety issues through discussions, planned activities and routines.

Windows

- We ensure that windows are protected from accidental breakage or vandalism from people outside the building.
- Our windows above the ground floor are secured so that children cannot climb through them.

Doors

- We take precautions to prevent children's fingers from being trapped in doors.

Floors and walkways

- All our floor surfaces are checked daily to ensure they are clean and not uneven, wet or damaged. Any wet spills are mopped up immediately.
- Walkways and stairs are left clear and uncluttered.

Electrical/gas equipment

- We ensure that all electrical/gas equipment conforms to safety requirements and is checked regularly.
- Our boiler/electrical switch gear/meter cupboard is not accessible to the children.

- Fires, heaters, wires and leads are properly guarded and we teach the children not to touch them.
- We check storage heaters daily to make sure they are not covered.
- There are sufficient sockets in our setting to prevent overloading.
- We switch electrical devices off from the plug after use.
- We ensure that the temperature of hot water is controlled to prevent scalds.
- Lighting and ventilation is adequate in all areas of our setting, including storage areas.

Storage

- All our resources and materials, which are used by the children, are stored safely.
- All our equipment and resources are stored or stacked safely to prevent them accidentally falling or collapsing.

Outdoor area

- Our outdoor area is checked for safety and cleared of rubbish, animal droppings and any other unsafe items before it is used.
- Adults and children are alerted to the dangers of poisonous plants, herbicides and pesticides.
- We leave receptacles upturned to prevent collection of rainwater. Where water can form a pool on equipment, it is emptied and cleaned before children start playing outside.
- Our outdoor sand pit is covered when not in use and is cleaned regularly.
- We check that children are suitably attired for the weather conditions and type of outdoor activities; ensuring that suncream is applied and hats are worn during the summer months.
- We supervise outdoor activities at all times; and particularly children on climbing equipment
- Gates are in place at the foot and top of the stairs in the outside area.

Hygiene

- We seek information from the Public Health England to ensure that we keep up-to-date with the latest recommendations.
- Our daily routines encourage the children to learn about personal hygiene.
- We have a daily cleaning routine for the setting, which includes the play room(s), kitchen, toilets and nappy changing areas. Children do not have unsupervised access to the kitchen.
- The toilet area has a high standard of hygiene, including hand washing and disposal facilities for nappies.
- We implement good hygiene practices by:
 - cleaning tables between activities;
 - cleaning and checking toilets regularly;
 - wearing protective clothing - such as aprons and disposable gloves - as appropriate;
 - providing sets of clean clothes;
 - providing tissues and wipes

Activities, resources and repairs

- Before purchase or loan, we check equipment and resources to ensure that they are safe for the ages and stages of the children currently attending the setting.
- We keep a full inventory of all items in the setting for audit and insurance purposes.

- The layout of our play equipment allows adults and children to move safely and freely between activities.
- All our equipment is regularly checked for cleanliness and safety, and any dangerous items are repaired or discarded.
- We make safe and separate from general use any areas that are unsafe because of repair is needed.
- All our materials, including paint and glue, are non-toxic.
- We ensure that sand is clean and suitable for children's play.
- Physical play is constantly supervised.
- We teach children to handle and store tools safely.
- Children learn about health, safety and personal hygiene through the activities we provide and the routines we follow.
- Any faulty equipment is removed from use and is repaired. If it cannot be repaired it is discarded. Large pieces of equipment are discarded only with the consent of the manager and the management team.

Jewellery and accessories

- Our staff do not wear jewellery or fashion accessories, such as belts or high heels, that may pose a danger to themselves or children.
- Parents must ensure that any jewellery worn by children poses no danger; particularly earrings which may get pulled, bracelets which can get caught when climbing or necklaces that may pose a risk of strangulation.

Safety of adults

- We ensure that adults are provided with guidance about the safe storage, movement, lifting and erection of large pieces of equipment.
- We provide safe equipment for adults to use when they need to reach up to store equipment.
- We ensure that adults do not remain in the building on their own.
- We record the sickness of staff and their involvement in accidents. The records are reviewed termly to identify any issues that need to be addressed.

Control of substances hazardous to health

- We implement the current guidelines of the *Control of Substances Hazardous to Health Regulations (COSHH)*.
 - We keep a record of all substances that may be hazardous to health - such as cleaning chemicals, or gardening chemicals if used and where they are stored.
 - Hazardous substances are stored safely away from the children.
 - We keep all cleaning chemicals in their original containers.
 - We keep the chemicals used in the setting to the minimum in order to ensure health and hygiene is maintained.
- We do not use:
- bleach;
 - anti-bacterial cleaning agents, except in the toilets, nappy changing area and food preparation areas. Anti-bacterial sprays are not used when children are nearby.
 - Environmental factors are taken into account when purchasing, using and disposing of chemicals.
 - All members of staff are vigilant and use chemicals safely.
 - Members of staff wear protective gloves when using cleaning chemicals.

At **Little Discoverers Nursery** we provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees and a safe early learning environment in which children learn and are cared for. To develop and promote a strong health and safety culture within the nursery for the benefit of all staff, children, parents and any visitors, we provide information, training and supervision. We also accept our responsibility for the health and safety of other people who may be affected by our activities.

The allocation of duties for safety matters and the particular arrangements which we will make to implement our health and safety procedures are set out within this policy and we make sufficient resources available to provide a safe environment.

Legal framework

We follow all relevant legislation and associated guidance relating to health and safety within the nursery including:

- The requirements of the Statutory Framework for the Early Years Foundation Stage (EYFS) 2021
- The regulations of the Health & Safety at Work Act 1974 and any other relevant legislation such as Control Of Substances Hazardous to Health Regulation (COSHH)
- Any guidance provided by Public Health England, the local health protection unit, the local authority environmental health department, fire authority or the Health and Safety Executive.

Aims and objectives

The aim of this policy statement is to ensure that all reasonably practical steps are taken to ensure the health, safety and welfare of all persons using the premises.

To achieve this, we will actively work towards the following objectives:

- Establish and maintain a safe and healthy environment throughout the nursery including outdoor spaces
- Establish and maintain safe working practices amongst staff and children
- Make arrangements for ensuring safety and the minimising of risks to health in connection with the use, handling, storage and transport of hazardous articles and substances
- Ensure the provision of sufficient information, instruction and supervision to enable all people working in or using the nursery to avoid hazards and contribute positively to their own health and safety and to ensure that staff have access to regular health and safety training
- Maintain a healthy and safe nursery with safe entry and exit routes
- Formulate effective procedures for use in case of fire and other emergencies and for evacuating the nursery premises. Practice this procedure on a regular basis to enable the safe and speedy evacuation of the nursery
- Maintain a safe working environment for pregnant workers or for workers who have recently given birth, including undertaking appropriate risk assessments
- Maintain a safe environment for those with special educational needs and disabilities and ensure all areas of the nursery are accessible (wherever practicable)
- Provide a safe environment for students or trainees to learn in
- Encourage all staff, visitors and parents to report any unsafe working practices or areas to ensure immediate response by the management.

We believe the risks in the nursery environment are low. To maintain the maximum protection for children, staff and parents the nursery:

- Ensures all entrances and exits from the building, including fire exits are clearly identifiable, free from obstruction and easily opened from the inside
- Regularly check the premises room by room for structural defects, worn fixtures and fittings or electrical equipment and take the necessary remedial action
- Ensures that all staff, visitors, parents and children are aware of the fire procedures and regular fire drills are carried out
- Has the appropriate fire detection and control equipment which is checked regularly to make sure it is in working order
- Ensures that all members of staff are aware of the procedure to follow in case of accidents for staff, visitors and children
- Ensures that all members of staff take all reasonable action to control the spread of infectious diseases and wear protective gloves and clothing where appropriate
- Ensures there are suitable hygienic changing facilities (see infection control policy)
- Prohibits smoking/vaping on the nursery premises
- Prohibits any contractor from working on the premises without prior discussion with the officer in charge

- Encourages children to manage risks safely and prohibits running inside the premises unless in designated areas
- Risk assesses all electrical sockets and take appropriate measures to reduce risks where necessary and ensure no trailing wires are left around the nursery
- Ensures all cleaning materials are placed out of the reach of children and kept in their original containers
- Ensures staff wear protective clothing when cooking or serving food
- Prohibits certain foods that may relate to children's allergies, e.g. nuts are not allowed in the nursery
- Follows the EU Food Information for Food Consumers Regulations (EU FICby identifying the 14 allergens listed by EU Law that we use as ingredients in any of the dishes we provide to children and ensure that all parents are informed
- Follows the allergies and allergic reactions policy for children who have allergies or have a reaction at the nursery
- Ensures risk assessments are undertaken on the storage and preparation of food produce within the nursery
- Familiarises all staff and visitors with the position of the first aid boxes and ensure all know who the appointed first aiders are
- Provides appropriately stocked first aid boxes and check their contents regularly
- Ensures children are supervised at all times
- Takes all reasonable steps to prevent unauthorised persons entering the premises and have an agreed procedure for checking the identity of visitors
- Ensures no student or volunteer is left unsupervised at any time
- Ensures staff paediatric first aid certificates or a list of staff who hold a current PFA certificate are on display (and/or made available to parents).

Responsibilities

The designated Health and Safety Officer in the nursery is **Nabeela Bhaiji**

The employer has overall and final responsibility for this policy being carried out at:

Little Discoverers Nursery
92 Preston New Road

The nursery manager/deputy nursery manager will be responsible in his/her absence.

All employees have the responsibility to cooperate with senior staff and the manager to achieve a healthy and safe nursery and to take reasonable care of themselves and others. Neglect of health and safety regulations/duties will be regarded as a disciplinary matter (see separate policy on disciplinary procedures).

Whenever a member of staff notices a health or safety issue or problem which they are not able to rectify, they must immediately report it to the appropriate person named above. Parents and visitors are requested to report any concerns they may have to the *senior member of staff in the area/*deputy manager/*manager.

Daily contact, monthly staff meetings and health and safety meetings provide consultation between management and employees. These include health and safety matters.

At present at least one member of staff on the premises and available at times when children are present MUST hold a full paediatric first aid (PFA) certificate in the nursery and must accompany children on outings. The certificate must be for a full course consistent with the criteria set out in Annex A of the EYFS, 2021. This must be renewed every three years and the emergency PFA course is taken face to face.

In addition to this, all newly qualified entrants to the early years workforce who have completed a level 2 and/or level 3 qualification on or after 30 June 2016, must also have either a full PFA or an emergency PFA certificate within three months of starting work in order to be included in the required staff: child ratios at level 2 or level 3 in an early years setting

At nursery, we take in to account the number of children, staff, layout of premises to ensure that a paediatric first aider is able to respond to emergencies quickly.

All trained first aiders must be listed in the first aid policy. Our trained first aiders are : **Nabeela, Faheema, Saima, Tasneem, Anisa, Ayesha, Maariyah, Khadeejah, Munira**

Health and safety arrangements

- All staff are responsible for general health and safety in the nursery

- Risk assessments will be conducted on all areas of the nursery, including rooms, activities, outdoor areas, resources, cleaning equipment, legionella and lone working
- These are reviewed at regular intervals and when arrangements change
- All outings away from the nursery (however short) will include a prior risk assessment – more details are included in our outings policy
- All equipment, rooms and outdoor areas are checked thoroughly by staff before children access them or the area. These checks are recorded and initialled by the staff responsible. Unsafe areas are made safe where possible or the area is not used to promote the safety of children. In these cases the manager will be notified immediately
- We provide appropriate facilities for all children, staff, parents and visitors to receive a warm welcome and provide for their basic care needs, e.g. easy to access toilet area and fresh drinking water
- We adhere to the Control Of Substances Hazardous to Health Regulation (COSHH) to ensure all children, staff, parents and visitors are safe in relation to any chemicals we may use on the premises
- We identify and assess any water sources at risk of legionella¹, and manage these risks including avoiding stagnant water
- All staff and students receive appropriate training in all areas of health and safety which includes risk assessments, manual handling, fire safety and emergency evacuation procedures. We may also use benefit risk assessments for particular activities and resources for children
- We have a clear accident and first aid policy to follow in the case of any person in the nursery suffering injury from an accident or incident
- We have a clear fire safety policy and procedure, which supports the prevention of fire and the safe evacuation of all persons in the nursery. This is shared with all staff, students, parents and visitors to the nursery
- We review accident and incident records to identify any patterns/hazardous areas
- All health and safety matters are reviewed informally on an ongoing basis and formally every six months or when something changes. Staff and parents receive these updates, as with all policy changes, as and when they happen
- We welcome feedback from staff and parents. They are able to contribute to any policy through informal discussions, the suggestion scheme and/or during regular meetings held at nursery.
